Subject: Partnership Interest - HERE AND NOW AI (Chennai)

Dear Mr. Angamuthu Karthik,

We are writing to you from **HERE AND NOW AI – Artificial Intelligence Research Institute**, an AI research and education institute based in Chennai, India. We came across your expression of interest in partnering and investment opportunities within the Chennai AI domain, as forwarded by Sujithra Nagarajan from austinNNN.

HERE AND NOW AI is dedicated to **advancing AI education, research, and industry applications**. Our mission is to bridge the gap between theoretical AI knowledge and real-world implementation. We focus on empowering learners

with cutting-edge AI skills through structured programs and building state-of-the-art AI solutions for businesses and research.

Our areas of expertise include **generative models, automation, and deep learning**. We offer a range of programs, from AI workshops covering topics like Retrieval-Augmented Generation (RAG) and Fine-Tuning LLMs, to intensive bootcamps on the latest AI tools and frameworks. We also provide **AI solutions for businesses**, including custom AI model development, chatbots, AI-powered applications, and consulting services. Furthermore, HERE AND NOW AI is actively engaged in **AI research**, particularly in Large Language Models (LLMs), RAG, Computer Vision, NLP, AI for Healthcare and Cybersecurity, and Ethical AI.

Given our presence in Chennai and our comprehensive engagement in AI education, research, and industry applications, we believe there could be significant **synergies to explore** with austinNNN. We are keen to understand your specific partnership and investment interests and discuss how our capabilities and initiatives align with your objectives.

Please find more information about HERE AND NOW AI on our website: www.hereandnowai.com. We would be pleased to schedule a call to discuss potential collaborations further. You can reach me at +91 8939561000

Thank you for your time and consideration. We look forward to hearing from you.

Sincerely,

Ruthran RAGHAVAN

CEO & Chief AI Scientist
